

## VICTORIA Electric full suspension "PARCOURS 4" (#1)

wave, 27,5", good grey metallic , 1x10-speed SHIMANO "Deore", 56 cm / L

**RRP €5,499.00**

With the "PARCOURS" series, Victoria offers a cross-over series which, compared to the "AVYON" and "FYBRON" series, has an air-suspended chassis and thus takes the topic of comfort even further. The "PARCOURS 4" is the entry-level model. The frame cleverly conceals the Damper with the two seat tube halves, making it look nothing like a fully at first glance. The cover for removing the "PowerTube 625" batteries is also located on the down tube. The battery can therefore be removed effortlessly from the top. Alternatively, the Battery can be charged in the bike - which is also possible and saves you having to remove it. The lowerable seatpost is also convenient, for example when stopping at traffic lights. A special feature is the compact design Stem, which gives the bike a very dynamic riding performance by Victoria standards. The 60 mm wide Schwalbe "Al Grounder" tires provide optimum grip even on unpaved roads. The sporty Bosch "Performance CX" mid-motor guarantees full support with 85 Nm torque. Even on steep uphill stretches, it motivates you up to 25 km/h. The Shimano 10-speed "Deore" derailleur gears in the robust Linkglide version round off the drive package. The gear ratios and gear steps are designed for steep climbs and fast descents on varied terrain. Large hydraulic disc brakes (203/180 mm) ensure the right level of safety. Sturdy aluminum Fenders and a MIK System Carrier round off the all-rounder's equipment. Reflective Stripes on the tires and the lights ensure roadworthiness. A full 120 lux at the front illuminates every dark corner, while the rear of the bike is equipped with a rear light including a stop light function for extra safety. This makes it easier for cyclists behind to react to spontaneous braking maneuvers, which are often unavoidable on the way home through the city.

### Basic Data

Supplier Article Number:	KHA250620
EAN	4251971152021
MSRP:	€5,499.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.5 kg

### Technical Data

Battery capacity	625.0 Wh
