

CONTEC Stand Pump "Air Support Boost"

black / riviera blue

RRP: €69.95

Attention tubeless fans: With the Air Support Boost, we finally have a hand compressors with an air tank for you! The Air Support Booster is ideal for your tubeless tires, but can also be used as an ordinary Stand Pump when the tank is not full. With just a few strokes, the hand compressors can reach an air pressure of up to 11 bar or 160 psi. To fill the tank, the kick lever must be pointed upwards. Once the desired volume of air has been reached, press the lever down again - and the air flows out of the tube all at once. This creates a rapid air flow that fills the Tires evenly in no time at all. If you want to use the Air Support Booster as a normal Stand Pump, the lever must be in its neutral, horizontal position. The Twin Valve head fits Auto (AV) and Presta (SV) valves.With a height of 71 cm and a 100 cm long tube, the Air Support Booster offers you enough space for pumping so that you don't end up in an unhealthy position. An ergonomic handles / grips and a large tread surface provide additional stability.

Basic Data

Supplier Article Number:	PRO BLACK / BLUE
EAN	4251971153721
MSRP:	€69.95
Fedas-Code	160651
SB-Article	Yes
Bidex-Code	301630
DST-Code	2I01
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	2.05 kg

Technical Data

Colour designation	riviera blue
Design	floor pumps
Features	pressure gauge , stable air button
Foot material	steel
Height	71.0 mm
Main colour	black
Max. pressure	11.0 bar
Max. pressure	160.00 PSI
Range of application	universal
Secondary colour	blue
Valve type	Clik Valve (SCV) , Dunlop (DV) , Schrader (AV) , Sclaverand (SV)
Variant	Article
