

CONTEC Battery Mini Pump "Air Tronic"

black

RRP: €59.95

Perfect tire pressure at the push of a button! The CONTEC Air Tronic Battery Mini Pump automatically inflates your bike tires in no time at all—and with minimal effort. All you have to do first is screw the head of the flexible tube onto the valve, set the desired tire pressure on the digital Display, and then press the start button.Thanks to its Adapters, the Air Tronic fits all valve types and reaches a maximum air pressure of up to 10.3 bar or 150 psi.On top of that, you can also use the Air Tronic as a Powerbank and flashlight! For easy transport on your travels, the battery-powered pump comes with a Bracket that fits your bike's bottle cage mounts.
