

CONTEC Mini Pump "Air Support Go"

black / sage green

Price: €6.99

The provisions are packed, the route is planned and the bike is ready to go - to ensure that your painstaking preparation and planning of your next bike tour is not in vain, this item in particular should not be missing from your packing list: a reliable Hand Pump! The CONTEC Air Support Go fits all common valves (Dunlop, Presta & Schrader) and achieves an air pressure of up to 8 bar or 120 psi with just a few pump strokes. The fold-out T-grip makes inflation even easier than with conventional Hand Pumps. Thanks to its compact format with a length of only 25 cm, the Hand Pump takes up little space in your luggage. You can even attach it to your bike's bottle cage with the included Bracket.
