

CONTEC Battery Mini Pump "Air Tronic"

black, (special item, loose)

Price: €23.99

Perfect tire pressure at the touch of a button! The CONTEC Battery Mini Pump Air Tronic automatically inflates your bike tires in no time at all and with minimal effort. All you have to do beforehand is screw the head of the flexible tube onto the valve, set the desired tire pressure in the digital display and then press the start button. Thanks to its adapters, the Air Tronic fits all types of valves and achieves a maximum air pressure of up to 10.3 bar or 150 psi. What's more, you can also use the Air Tronic as a Powerbank and flashlight! The battery pump has an included bracket for the bottle cage eyelets on your bikes, making it easy to take with you on your travels.
