

CONTEC Saddle "Dynamic"

dimensions (LxW): 270 x 165mm

RRP €39.95

The name says it all - the CONTEC Dynamic saddles are made for dynamic trails and speeds. With their features, such as their AirFoam filling and extra-light nylon fibre composite shell, they are the ideal saddles for MTB cyclists. Thanks to the special welding of the shell and the synthetic PVC cover, the saddles are 100% waterproof, so you can get on your bike without any problems. Impacts caused by uneven surfaces are absorbed by the cushioning materials inside the saddle. Furthermore, the "Sport Zone", i.e. the lowered centre section, ensures that pressure on the sensitive areas of your body is reduced. A scale on the high quality CrMo rails helps you to adjust the saddle so that you can adjust the angle to your exact preference.

Basic Data

Supplier Article Number:	VL-3564
EAN	4251971159020
MSRP:	€39.95
SB-Article	Yes
DST-Code	2C01
Bidex-Code	206010
Fedas-Code	160264
Brand/Supplier	CONTEC
Unit of measure:	PIECE

Technical Data

Features	lowering , waterproof cover
Gender	unisex
Length	270.0 mm
Main colour	black
