

QiO Carrier Adapter

anodized black

Price: €12.35

Expand your transportation options and add one of the two "BEN" or "LUK" front racks to your QiO EINSx! As the Cross model is equipped with a suspension fork, that means you need the "Adapter Rack" to mount a front rack. This gives you more flexibility in your everyday life and allows you to transport different things in different ways - with your EINSx.
