

VICTORIA Electric trekking bike "TRESALO 15" (#1)

diamond, 28", airstream silver, 5-speed SHIMANO "Nexus" freewheel, 60 cm / L

RRP: €3,799.00

The Victoria TRESALO 15 hub-gear model is a reliable companion for both everyday use and touring. The Shimano “Nexus” 5-speed hub, designed specifically for use on e-bikes, is available with either a coaster brake or a freewheel. The smart Bosch system provides more than enough support for your pedaling effort thanks to the new Performance engine and the “PowerTube 625” battery.The “Kiox 300” color display provides useful information about your current route and remains perfectly legible even in the dark. If the available information isn’t enough, you can access additional features via the free eFlow app. When paired with other navigation apps, such as Komoot or Strava, this opens up entirely new riding experiences with the new bike.We’ve designed the TRESALO models with integrated PowerTube batteries to feature a stable and stiff frame. The riding position—as you’d expect from a Victoria—is more upright and comfort-oriented than overly sporty and stretched out.As with all new Victoria models, the battery integrated into the down tube can be removed from the top. This eliminates the need to support the bike, as is required when removing it from the bottom. However, given the large capacity and the resulting weight of the battery, we recommend charging it while it’s still in the bike, as it’s simply more convenient.

Basic Data

Supplier Article Number:	KHA250123
EAN	4251971165953
MSRP:	€3,799.00
WEEE registration number	DE92509320
DST-Code	1B01
SB-Article	No
Bidex-Code	122010
Fedas-Code	155021
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	29.8 kg

Technical Data

Battery capacity	625.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Child Seat Approval	no
Colour designation	airstream silver
Drive	chain

Drive system	BOSCH Performance Line
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , electronic sliding aid , fender , frame lock , suspension fork , suspension seatpost , system carrier
Frame height	60 cm
Frame shape	diamond
Frame size	L
Gears	5-speed
Gender	gents
Main colour	grey
Material	aluminium
Model range	Tresalo
Permissible system weight	140 kg
Secondary colour	black
Shifting name	5-Gang SHIMANO "Nexus" Leerlauf
Shifting type	internal gear shifting
Support	up to 25km/h
Torque	75 Nm
Trailer Approval	no
Travel	63 mm
Type	trekking bike
Wheel size	28 "
