

## VICTORIA Electric trekking bike "TRESALO 2" (#1)

wave, 28", deep black matt, 1x9-speed TEKTRONIC "RD-M350 R", 51 cm / M

**Price: €2,049.00**

The TRESALO 2 derailleur model impresses as a solid tourer with a sporty, clean appearance. The Bosch "Active Line Plus" mid-motor, the "PowerPack 500" concealed by a cover and the "Intuvia" Display provide a successful basis for this. The Tektronic hydraulic disc brakes have relatively large discs (180/160 mm) that provide reliable stopping power. The 9-speed Tektronic derailleur ensures crisp gear changes. The Maxxis everyday tires provide solid grip on both asphalt and paved roads and are also impressive thanks to the Reflective Stripes. The Suspension Fork and suspended Seatposts ensure a comfortable ride. The MIK system luggage rack is also versatile and can be fitted with the appropriate bags for everyday shopping or luggage. The TRESALO 2 is roadworthy thanks to the Contec lights, which brightly illuminate the way home.
