

VICTORIA Electric folding bike "Fylgran 3" (#1)

unisex, 20", concrete grey, 5-speed SHIMANO "Nexus" freewheel, 45 cm / Onesize

RRP: €3,999.00

Whether on your daily commute to the train station or for short trips around town—the Victoria FYLGRAN 3 always cuts a fine figure. Thanks to its compact folded dimensions (88x77x38 cm), it can easily be taken on the train and stowed away in a nook at home in the evening. To maximize space savings, not only is the Frame foldable, but so are the pedals. The handlepost is height-adjustable.If you ever want to venture beyond the city limits, the new Bosch Smart System Performance engine provides confident assistance. It's powered by the Bosch "PowerPack 545," which has enough energy for day trips.The Gates straps transfer power from your legs and the engine directly to the rear wheels. Especially valuable for commuters: the straps are resistant to moisture and dirt and can be easily cleaned with water. It also requires virtually no maintenance, as it runs without Chain Grease—which, by the way, also means your pant legs stay clean. The shifter handles Shimano's proven 5-speed "Nexus" hub gear system—with the option to choose between freewheel and coaster brake. The hydraulic disc brakes provide additional safety.New are the SCHWALBE "Super Moto X" tires, which give the FYLGRAN in the 62-406 configuration a sturdy look that suits the compact bike well.And there's another difference compared to the FYLGRAN 1: once the Bosch eFlow app is downloaded, you can fine-tune the response of the different assistance levels—either making them even more intense than the factory settings or particularly energy-efficient for maximum range. Navigation apps like Komoot or Strava are also compatible with the eFlow app, so city trips in unfamiliar places won't end up in the middle of nowhere.

Basic Data

Supplier Article Number:	KHA261002
EAN	4251971168404
MSRP:	€3,999.00
Fedas-Code	157025
WEEE registration number	DE92509320
Bidex-Code	129010
SB-Article	No
DST-Code	1H01
Brand/Supplier	VICTORIA
Unit of measure:	PIECE
Weight	23.3 kg

Technical Data

Battery capacity	545.0 Wh
Bosch Smart System	yes
Brake system	hydraulic disc brake
Child Seat Approval	no

Colour designation	concrete grey
Drive	belt
Drive system	BOSCH Performance Line
Drive version	middle motor
E-bike	yes
Engine power	250 W
Features	chain guard , deep entry , electronic sliding aid , fender , frame lock , system carrier
Folded size (LxHxW)	88x77x38
Frame height	45 cm
Frame shape	unisex
Frame size	Onesize
Gears	5-speed
Gender	unisex
Main colour	grey
Material	aluminium
Model range	Flygran
Permissible system weight	120 kg
Shifting name	5-Gang SHIMANO "Nexus" Leerlauf
Shifting type	internal gear shifting
Support	up to 25km/h
Torque	75 Nm
Trailer Approval	no
Transmission	1x 5-speed
Type	folding bike
Wheel size	20 "
