Discover the versatility of the Conway "GRV 10.0 SE"! Made for gravel racing, long tours, weekenders and quick laps whenever it suits. The "GRV 10.0 SE" is the perfect touring companion for every adventure. As the top model in the GRV range, the gravel bike offers everything you need for demanding tours. The 12-speed SRAM "Rival AXS" derailleur system with 1x12-speed transmission allows you to change gears quickly and precisely and meets the highest demands in terms of reliability and shifting feel. Thanks to the wireless, electronic shifting system, you benefit from reliable performance and low-maintenance handling. The lightweight carbon frame and 28" wheels ensure an agile and responsive riding experience. The hydraulic Disc Brakes guarantee reliable braking power in all weathers, so you are always safe on the road. Equipped with Schwalbe "G-One Allround" tires (40 mm), the bike offers excellent grip on loose surfaces. They grip safely and reliably on gravel tracks and dry surfaces. They even impress on the road thanks to their versatile tread pattern with light and smooth rolling behavior. At just 9.4 kg, the Carbon Graveler is a real flyweight and impresses with its robustness and a permissible total weight of 130 kg. Ideal for anyone who wants more from a gravel bike and has high demands in terms of quality and equipment.
