

CONTEC System Pedal "Quick Spade"

black

RRP: €79.95

Work first, then play: The Quick Spade combines two types of pedals into a perfect blend. It’s ideal, for example, for people who want to commute to work in a relaxed manner and engage in sports after work.The “Commuter” side of the Quick Spade pedal functions like a standard platform pedal but features an extra-large contact surface with a Sandpaper finish to provide ample grip even in wet weather.The “Sport” side of the combo pedal is equipped with an SPD system mount and a CrMo clamp. Compatible pedal cleats are included. The release tension is adjustable. Thanks to its open design, dirt and mud have little chance of getting stuck in the pedal.The Quick Spade consists of a one-piece aluminum body and features a sealed compact axle bearing unit.The CONTEC Quick Spade was named one of the best value-for-money winners* in the clipless pedal test featured in the 09-2025 issue of “ElektroRad” magazine and the 02-2026 issue of “RadFahren” magazine! *In the test: 22 clipless pedals, including four best value-for-money winners and four recommendations.

Basic Data

Supplier Article Number:	SC-M228
EAN	4251971170964
MSRP:	€79.95
Bidex-Code	202320
SB-Article	Yes
DST-Code	2N02
Fedas-Code	160375
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.445 kg

Technical Data

Bearing type	sealed bearing
Design	system MTB/trekking
Frame material	aluminium
Housing material	aluminium
Length	8.5 cm
Main colour	black
System	on one side
Thread	9/16
Variant	Article
Width	10.0 cm
