

VICTORIA Trekking bike "TREQANA 1" (#1)

trapeze, 28", carbonite grey, 7-speed SHIMANO "Nexus" RBN, 45 cm / S

Price: €329.95

The TREQANA 1 is Victoria's entry-level trekking bike and offers a solid basis for all those who want to go on leisurely bike rides. For this purpose, the TREQANA 1 is equipped with a low-maintenance 7-speed hub gear from Shimano. You can easily change gears using the Twist Grip. The TREQANA 1 prefers roads and flat paths. The rigid fork and 47 mm wide Tires are a perfect match. The TREQANA has a Hub Dynamo on board for night rides. This is located in the front wheel hub and can hardly be heard or felt while riding. Whether you prefer to sit comfortably upright or lean forward in a sporty position, both are possible on the TREQANA 1 thanks to the adjustable Stem. Brakes are applied at the front and rear with a traditionally proven V-brake. You also have the option of using the coaster brake. The TREQANA 1 is available in Wave, Trapeze and Diamant frame shapes. And of course in different frame sizes. The dark blue frame color perfectly reflects the characteristics of the bike: elegant, solid, reliable.

Basic Data

Supplier Article Number:	25804125
EAN	4251971152885
MSRP:	€699.00
Bidex-Code	102010
Fedas-Code	155011
