

CONTEC Battery Mini Pump "Air Tronic Mini"

black

RRP: €69.95

Say goodbye to the hard work and say hello to the Air Tronic Mini Pump! The Battery Mini Pump inflates bike and car tires, as well as mattresses and balls, quickly and easily at the push of a button. Simply screw the included flexible tube onto the Air Tronic Mini first, then attach the other end to the appropriate Schrader or Presta valve. The Air Tronic Mini is also compatible with the SCHWALBE Clik Valve (SCV). Air mattress and ball adapters are included.It takes the Battery Mini Pump just 120 seconds to inflate a 700*25C tire. It reaches a pressure of up to 8.3 bar or 120 psi. Its 450 mAh battery capacity is sufficient for two large tires; after that, the Air Tronic Mini takes just 30 minutes to fully recharge. Its compact size—just 7 cm long, 5.6 cm wide, and 3.1 cm thick—and its weight of only 125 g make the Air Tronic Mini the ideal companion for your bike trips or camping adventures.
