

CONTEC Smartphone Bracket "Bug Twist"

black

RRP €22.95

Your smartphone safely and stylishly on the steering tube! With the Bug Twist Smartphone Bracket, you can securely attach your phone without cluttering up your Handlebar. The Bug Twist is made of lightweight aluminum and fits all common smartphones. You can easily attach the Holder to your steering tube with the included Inside Hexagon Wrench. The rubber insert protects your bike from damage to the paintwork. If you want to use your smartphone for navigation, for example, you can also rotate it 360° thanks to the Holder's practical twist function. With the Bug Twist, you are perfectly equipped for your next bike tour!
