

CONTEC Glasses "Glow Focus"

Prescription: +1.5, +2, +2.5, dark gray lenses, Cat. 3

RRP: €39.95

You might think that people who wear glasses only have advantages when cycling, as the wind or oncoming insects don't whip into their eyes. But as soon as the sun shines, ordinary reading glasses no longer help. To ensure that you can enjoy your ride even in blinding weather, the CONTEC Glow Focus are practical sports glasses with prescription.The CONTEC Glow Focus has a matt black half frame made from G850 plastic. They come with three dark gray interchangeable lenses: +1, +1.5 and +2 prescription. The lenses can be changed in seconds using a magnets mechanism. All lenses also offer 100% UV protection.The included case protects your glasses during transport and the enclosed microfiber bag can not only be used to store your glasses, but also to remove dust.
