Dimensions (L x W) 260 x 220 mm

Price: €16.15

The SELLE BASSANO Volare City XXL is a comfortable city and touring saddle with a particularly generous seat surface. The 3-zone comfortPlus system provides targeted pressure relief and pleasant support on longer journeys. The permanently elastic cold foam is light, dimensionally stable and hardly retains any heat - so the saddle covers remain at a pleasant temperature even when exposed to strong sunlight. The integrated elastomer dampers reliably Spring any unevenness. With a CrMo frame, patented saddle support mount and a load capacity of up to 150 kg, this unisex saddle is a stable and durable choice for everyday use.
