

CONWAY Electric allroad "Nyvon 8.0" (#1)

diamond, 28", black matt, 10-speed SHIMANO "Cues", 51 cm / L

Price: €2,893.00

Do you want to cruise to work in the morning and then go for a quick ride in the evening? The "Nyvon 8.0" is perfect for your urban-sporty lifestyle. The full carbon frame is light and stiff, with many clever mounting points for luggage solutions - ideal for commuters with high demands. Range extender ready, integrated Stem and Saddle Clamp as well as front headlights make the bike suitable for everyday use. The geometry puts you in a compact, slightly stretched riding position - efficient pedaling, direct handling. The combination of short reach, balanced stack and steep seat angle ensures sporty dynamics, while the wheelbase and Chain Stay combine smoothness and maneuverability. The Bosch mid-motor with 60 Nm torque in eMTB+ mode provides plenty of propulsion. The Shimano 10-speed drivetrain and hydraulic disc brakes ensure precise gear changes and reliable control in every situation.
