

VICTORIA Electric trekking bike "Cysalo 5" (#1)

wave, 28", slate grey matt, 7-speed SHIMANO "Nexus" coaster brake, 48 cm / S

RRP: €2,499.00

City e-bike for everyday use. The CYSALO 5 is the perfect city bike for leisurely rides in the city and out in the countryside. With its sturdy build and reliable components, it takes you safely and comfortably through your daily routine. The MIK System carrier offers practical options for attaching bags or baskets and ensures that you always have everything with you.Comfort and FunctionalityThe Suspension Fork with 63 mm of travel guarantees a smooth ride, even on bumpy paths. The adjustable Stem and 640 mm-wide Handlebars allow for an ergonomic riding position that makes cycling particularly enjoyable. The reliable Shimano disc brakes front and rear ensure safety in all weather conditions.Technical SpecificationsThe CYSALO 5 features a Shimano Nexus 7-speed hub gear system and an Active Plus drive system, which provide smooth and powerful assistance. The PowerTube 545 battery offers enough power for long rides. The Intuvia 100 display shows all important information at a glance, and the 60-lux lighting from Herrmanns ensures optimal visibility in traffic.Target AudienceThe CYSALO 5 is your ideal city bike if you’re looking for a reliable, comfortable, and affordable companion for everyday use. With its straightforward features and proven quality, it’s the right choice for everyday and occasional riders who value good value for the money.Gear ratio range: 244%
