RRP: €3,499.00

An e-bike for everyday use and leisure. The Tresalo 7 from Victoria is the ideal all-road e-bike, accompanying you both through the hustle and bustle of the city and on leisurely rides through nature. With its StVZO-compliant features and SCHWALBE puncture-resistant tires, it's as safe as it is comfortable. The MIK System Carrier ensures flexible transport of your belongings, whether it's groceries, your work bag, or a picnic basket for a family outing.Comfort and FunctionalityThanks to the Suntour Suspension Fork, you'll glide smoothly over uneven paths, while the adjustable Stem and drop Handlebars ensure an ergonomic riding position. The front and rear Shimano disc brakes provide a safe riding experience at all times, whether in rain or shine. The robust Bosch Performance drive, together with the PowerTube 540 battery, delivers reliable and long-lasting assistance for your daily rides. The HTM interface on the headset allows you to attach various front carriers from the Victoria accessory line, making it even easier to carry smaller items.Technical SpecificationsThe Tresalo 7 features a low-maintenance 5-speed Nexus hub gear system, specifically designed for everyday urban use. The modern 40-lux front LED light ensures clear visibility even in the dark. With the Kiox 300 display, you always have a clear overview of all the important information about your ride. All carriers feature a second, lower crossbar to which panniers can be attached.Target AudienceThe Tresalo 7 is your reliable and comfortable companion whether you're riding around town or embarking on extended bike tours, without sacrificing a balanced price-performance ratio.
