The belt drive is also virtually invisible to you—it runs quietly, requires little maintenance, and is durable.Lighting is provided by the high-quality Busch+Müller “IQ-XS high beam” LED Front Light, which provides excellent illumination of the road with 100 lux low beam and 150 lux high beam—ideal for riding in the dark and in poor visibility conditions.With an 800 Wh battery capacity, 20-inch wheels, and a gross vehicle weight rating of 200 kg, the “Long CLAx” is perfect for families and anyone who wants to get around a lot—comfortably, safely, and in style.
