

## QiO Electric cargo bike "Long CLAx" (#1)

unisex, 20", retro blue matt, Enviolo HD Automatiq, 48 cm

**Price: €4,149.00**

The "Long CLAx" from QiO is the highest quality model in the Long range - developed for all those who want to combine maximum transport performance with the highest level of riding comfort. The combination of 80 mm Suspension Fork and suspended Seatposts provides noticeable relief on uneven paths and makes even fully loaded rides pleasant. The Bosch "Cargo Line" engine with Smart System provides particularly powerful support up to 25 km/h - ideal for heavy loads and demanding routes. The continuously variable Enviolo Automatiq hub gear takes care of the shifting, so you can concentrate fully on the ride and your surroundings. The belt drive is also almost invisible to you - it runs quietly, is low-maintenance and durable. The lighting is provided by the high-quality Busch+Müller "IQ-XS high beam" LED Front Light, which offers excellent illumination of the road with 100 lux low beam and 150 lux high beam function - ideal for riding in the dark and in poor visibility conditions. With 800 Wh battery capacity, 20" wheels and a permissible total weight of 200 kg, the "Long CLAx" is perfect for families and anyone who wants to move a lot - comfortably, safely and stylishly.

### Basic Data

Supplier Article Number:	01724079
EAN	4251971178663
MSRP:	€5,699.00
