

CONTEC Control tube adapter "HTM.KF"

black

RRP: €69.95

The CONTEC HTM.KF Head Tube Adapter is the smart solution if you want to add practical features to your bike for everyday use. With its built-in Klickfix mount, you can attach baskets or bags in seconds—ideal for shopping, work, or leisure. Made of sturdy, powder-coated aluminum, the stem adapter offers an optimal balance of lightness and stability. With a maximum load capacity of 7 kg, it's perfect for small to medium-sized transport tasks.A key feature is the adjustable 6.5° tilt, which allows you to precisely align the Adapter so that luggage is transported securely and upright. The ISO 11243 certification underscores the high safety and quality standards you can rely on.The HTM.KF is compatible with the HTM 2.0 mount. This interface is installed on many bikes from the Victoria, Conway, Contoura, and QiO brands and enables a standardized, stable installation. This gives you a well-designed solution that combines functionality with everyday practicality. The CONTEC HTM.KF is the right choice for anyone who values a tidy bike with practical transport options.
