

CONTEC Carrier "HTM.Tray S MIK"

black

RRP: €69.95

The CONTEC HTM.Tray S MIK front rack makes your bike ready for heavier loads. With the integrated MIK mount, you can securely attach baskets, bags, or boxes weighing up to 15 kg. This makes it perfect for weekly grocery shopping, luggage on tours, or everyday transport.Particularly practical are the integrated light mount and the side mounting points, where you can attach either a Bottle Cage or a Folding Lock. The rack is made of powder-coated aluminum, which is sturdy and durable. The adjustable 6.5° tilt ensures perfect alignment, keeping your luggage stable. ISO 11243 certification confirms safety compliance with international standards.The HTM.Tray S MIK is compatible with the HTM 2.0 mount and is therefore suitable for many bikes from the Victoria, Conway, Contoura, and QiO brands. It offers a modular, reliable solution for anyone who values extra carrying capacity and smart features on their bike.
