

CONTEC Carrier "HTM.Tray S MIK"

black

Price: €44.99

The CONTEC HTM.Tray S MIK front carrier makes your bike fit for larger bikes. With the integrated MIK mount, you can securely attach baskets, bags or boxes weighing up to 15 kg. This makes it perfect for weekly shopping, luggage on tours or everyday transportation. The integrated lamp holder eyelet and the screw-on points on the side, which can be used to attach either a Bottle Cage or a Folding Lock, are particularly practical. The carrier is made of powder-coated aluminum, which is robust and durable. The adjustable 6.5° tilt ensures perfect alignment so that your luggage remains stable. The ISO 11243 certification confirms tested safety in accordance with international standards. The HTM.Tray S MIK is compatible with the HTM 2.0 mount and is therefore suitable for many Victoria, Conway, Contoura and QiO bikes. It offers a modular, reliable solution for anyone who appreciates more transport capacity and clever features on their bike.

Basic Data

Supplier Article Number:	XH-Q42
EAN	4251971183964
MSRP:	€89.95
SB-Article	Yes
Bidex-Code	208050
