

CONTEC Carrier "HTM.Tray M"

black

RRP: €69.95

The CONTEC HTM.Tray M front carrier is a well-designed transport solution for 20×30 cm Euroboxes and other luggage weighing up to 10 kg. Thanks to the integrated lashing straps, you can secure your load quickly and safely. In addition, the carrier features mounting points for Bottle Cages or a Folding Lock, as well as a practical light mount for added safety.Made of powder-coated aluminum, the front carrier impresses with its stability, durability, and light weight. The 6.5° tilt adjustment ensures that the carrier can be precisely aligned so that your box or bag always sits securely. ISO 11243 certification guarantees tested quality and safety in daily use.Thanks to the HTM 2.0 interface, the HTM.Tray M is compatible with numerous bikes from Victoria, Conway, Contoura, and QiO. This makes it the ideal solution for anyone who wants to use standardized transport options like Euroboxes on their bike—whether for shopping, luggage on a tour, or professional use.
