

# QiO Rail "Rail"

Rail Middle Foldable, middle part of the Rail, for opening and closing, Set of 2 parts

**Price: €22.50**

The QiO Rail Middle Not fixed set provides more comfort and flexibility in everyday life with your QiO Long. It is mounted at the rear of the Rail and is the middle part of the three-part QiO Rail system. The Rail consists of two side parts that are firmly screw-fitted at the rear and can be opened and closed at the touch of a button. This makes loading and unloading easier and also makes it easy for passengers to get in and out of the vehicle. During the journey, the middle Rail element can be used as a Hand Grip and also offers a way of securing loads. Suitable for 40 × 60 cm transport boxes.
