Allroad e-bike for everyday use. The TRESALO 5 from VICTORIA is your ideal all-rounder for everyday use, whether in the city or in the countryside. Equipped with StVZO-compliant LED lighting and Schwalbe puncture protection tires, it offers safety and durability on all your routes. The MIK system Carrier makes it easy to mount bags and baskets and ensures flexibility in everyday life. Comfort and practicalityThe Suntour Suspension Fork ensures a comfortable ride, even on uneven roads. The adjustable Stem and offset Handlebar allow for an ergonomic riding position that adapts to your riding style. The rigid seatpost ensures direct power transmission, which is particularly beneficial when commuting. The HTM interface on the headset offers the option of attaching various front Carriers from the Victoria accessory range, which makes it even easier to carry smaller items. Technical dataThe TRESALO 5 is equipped with reliable 5-speed Nexus hub gears and Shimano disc brakes at the front and rear - for safe braking in all weathers. The Bosch Performance drives in combination with the PowerTube 540 Battery provide powerful support on all your tours. The Purion 200 Display shows you all the important information at a glance. All Carriers offer a second, lower cross strut to which panniers can be attached. Target groupThe TRESALO 5 is your loyal everyday companion if you are looking for a timeless, comfortable e-bike that combines functionality and riding pleasure. Ideal for everyday and occasional riders who value quality and value for money.
