

CONTEC Plug-in Chain "PowerLoc"

100 cm long, 785 g

RRP: €39.95

Robust security for your (e-)bike: The CONTEC PowerLoc is a Plug-in Chain with Security Level 10, making it ideal as an additional theft deterrent alongside your Frame Lock.The PowerLoc Plug-in Chains feature a convenient “Loc-In” function and are compatible with the most common frame locks, such as those from CONTEC or ABUS. They are available in lengths of 100, 130, and 150 cm and have a diameter of 5.5 mm. Their hardened special steel offers no weak points against sawing, cutting, or impact attacks.Thanks to the nylon sheath, your bike is protected from scratches caused by the chains. Additionally, the sheath is printed with reflective elements that make your bike more visible overall.
