

CONTEC Glasses "Rush Photochromic"

matt black / clear

RRP: €64.95

Changing weather? No problem! The photochromic lenses of the Rush Photochromic adapt to the ambient brightness. They darken as soon as the sun shines and become clear again as soon as the sky is covered by clouds. The half-frame sunglasses are made from flexible and dimensionally stable G850 plastic with a bios-based component. Their shatterproof 6 Base Shield lenses made of polycarbonate offer you 100% UV protection.A case and a microfiber bag are included - the latter can be used both for storing and for cleaning your glasses.
