

CONTEC Armoured Cabel Lock "Duke Key 100/18"

with three keys

RRP €19.95

Duke-level security for your (e-)bike: The CONTEC Duke Key 100/18 is an Armoured Cabel Lock of security level 7, making it ideal for your daily commute, for example. With all our locks, the names always indicate their length and diameter—so the Duke Key 100/18 is 100 cm long and 18 mm thick. It's encased in a durable vinyl coating that protects not only the Lock itself but also your bike frame. Speaking of bike frames: With the included Holder, you can easily attach the Lock to your bike—for example, to the frame or the Seatpost. The highly flexible steel cable can be securely locked with a key. A total of three keys are included.
