

CONTEC Children Pedal "Playground"

black

RRP €14.95

The CONTEC Children Pedal Playground is the perfect addition to a new children's bike, especially when it comes to visibility and comfort. Its dimensions, specially adapted for small feet, allow for ergonomic pedaling. The Playground features a die-cast aluminum pedal body and a boron steel axle with a smooth-running 2DU plain bearing. Thanks to their bright yellow-orange reflectors, the pedals comply with StVZO regulations and provide the necessary visibility in traffic.
