Clean & minimalist designThe Odense Single shopping bag from NEW LOOXS is as clean and minimalist as the Scandinavians. The 15.5-liter Bag is ideal for transporting fresh vegetables home from the market. Or to take beer and potato chips with you when you visit friends two districts away.The bag is made of polyester and covered with a special plastic (TPU), making it very robust and waterproof at the same time. The hooks make it easy to attach the Bag to your Carrier. Reflective applications round off the features of the Odense Single and make you more visible in traffic.
