**Price: 274,00 €**

Comfortable is the best way to ride. Getting around the city easily, quickly, uncomplicated and independent of travelling times: this works best with a bicycle. The "Road Cruiser Alu" from EXCELSIOR is just the thing. It allows you to get from A to B comfortably, quietly and dignified. It is the right bike for all those who have high demands, but do not demand too much. With a lot of comfort, the riding experience is right at a fair price. A comprehensive equipment including hub dynamo, a spacious luggage rack and a comfortable saddle equipped with elastomers: With the "Road Cruiser Alu" the equipment is right. So you do not have to worry on it in any situation. A high-quality aluminum frame has not been omitted either. Deep frame, over which it is very comfortable and possible to step up low, is also one of the advantages of this model. More comfort, especially with frequent ascents and descents does not go. By the way, the city bike changes gears with the proven internal gear hub "Nexus" from SHIMANO. It goes into 3 gears, which is quite sufficient for predominant trips in the city. It is practical that the bike has a coaster brake, which can be used to decelerate quickly and intuitively. In addition, a V-brake is installed. For relaxed and comfortable riding in the city, the "Road Cruiser Alu" from EXCELSIOR is a specialist. Visually, the chic frame and various attractive color designs in blue, red and black speak for the bike. So you can start with the riding pleasure in the city.
