

atranvelo Rear Kickstand "Edge HV"

matt black

RRP: 12,95 €

ATRANVELO Rear Kickstand Edge HVIt may be somewhat inconspicuous on the bike, and it only comes into play when the bike is stationary. But then the "Edge HV" Rear Kickstand from ATRANVELO practically ensures that the bike doesn't fall over. And it really comes into its own when there is a lot of luggage in the basket, in the panniers on the Carrier or with a child in the child seat. It fits city and trekking bikes, e-bikes and children's and youth bikes in sizes 24", 26", 27.5", 28" and 29" and is made of aluminum and plastic. The length of the stand can be variably adjusted to these sizes. During development, ATRANVELO put all its know-how into the user-friendly, high-quality and durable stand. The "Edge HV" is mounted in the designated position on the left Chain Stay using the Screws supplied. The correct distance for this Rear Kickstand from ATRANVELO is 40 mm. ATRANVELO has also designed the "Edge HV" to be "e-bike ready", meaning that it can also stably support heavier bikes with engines and batteries.
