

BASIL Trenchcoat "Mosse Women"

size L, night blue

RRP: 149,99 €

With style and plenty of functionThe BASIL "Mosse Women" Trenchcoat combines style and bike function for all bikes, especially in spring and fall, when it also keeps you nice and warm. The lined fabric is waterproof (WP 5,000) and breathable at the same time (5,000 MVP), and the side pockets and zippers are also rainproof. But to ensure the usual freedom of movement when cycling, the "Mosse Women" Trenchcoat has two zippers at the front. The lower one can be opened for freedom of movement when cycling. There are two more zippers on the sides that can be opened and also provide additional fabric and freedom of movement. The hood also offers freedom: it can be removed and adjusted and is slightly cut out at the sides for ideal visibility. The reflective surfaces match the fabric color and ensure visibility in the dark. A Storage Bag is included for the Trenchcoat.
