On your way into the city, you can strap it comfortably onto your back thanks to the padded back section and Shoulder Belt. Or you can clamp it to your Carrier with the practical hook-on system. A bottle of water, your wallet, cell phone and camera: the 17-liter backpack has enough space for all these things. Souvenirs or unique items from a boutique can also fit inside. The removable neoprene organizer provides optimum protection for your laptop. You can close the backpack with a roll-top fastener, which is attached to the sides with press buttons, and an additional snap lock. The Bag is equipped with Nordlicht Technology for maximum safety.
