

Bikeservice Assembly aid

cable total length: 110mm

The adapter of the flexible tool cable should be mounted to the old cable of the speedometer connection nut. The old cable must be now pulled out from the below side and automatically pulls the cable of the tool with it. Once the cable is out, it should be dismounted from the adapter and screwed to the new cable. When you know pull on the upper grip of the replacement tool the new cable is automatically pulled through the same way, backwards to the speedometer.

RRP: 24,45 €

Datos maestros

Número de artículo del proveedor:	BS1501
EAN	4717991215011
UVP	24,45 €
SB-Artículo	No
Marca/Proveedor	Bikeservice
Unidad de medida:	PIECE
Weight	0.382 kg
