RRP: 59,95 €

Simple, safe and practical"Behind its simple, clean look, the "Stance" from BOLLÉ combines many practical functions for everyday cycling. Firstly, there are the reflective elements on the strap and on the helmets themselves, which increase visibility. There is also an optional LED Light. The mesh lining on the ventilation openings keeps insects from getting between the Helmet and your head, and BOLLÉ's tried-and-tested "Click-to-Fit" system ensures simple and precise adjustment. Its inner lining can be removed and washed, and BOLLÉ also offers a winter and summer lining, i.e. different linings to suit the temperature.
