

AXA Battery LED Rear Light "Greenline"

black

Price: 7,09 €

Visibility in a compact format With the "Greenline", AXA presents a Battery Rear Light in a compact, modern design. In addition to high performance, you can expect great user-friendliness and convenient, sustainable charging via USB. A corresponding cable is included. The rear lights can be easily attached to the seatpost. It is also easy to take with you, for example while the bike is parked. Thanks to the flexible rubber mounting strap, the lights fit almost any bike. This LED Rear Light is also long-lasting: it offers up to 4 hours of riding fun with a charging time of less than 1.5 hours. What's more, with a service life of 1,000 charges, you can enjoy these lights for years to come. Incidentally, visibility with this bike light is up to 300 m. "Greenline" works at temperatures between -10 and 40 °C. The rear lights can also withstand rain and snow.
