

Busch + Müller Rear Light "Toplight Flat S plus"

distance between screws: 80mm, bulk, without clamp sleeve (0.311.215/8)

Price: 6,05 €

The "Toplight Flat S plus" LED Carrier Light from BUSCH & MÜLLER is a must for your safety on the road and impresses with its slim and lightweight design. Its 220° visibility allows you to be seen from all sides, while the brightness is maintained even at low speeds. This rear light shows good brightness even at low speeds. The diode lasts an impressive 100,000 hours - that's long-term lighting at its best. With the Z large-area reflector, your safety is always in focus. The plug contacts for power and earth connection (positioned in the middle) make installation child's play. No need to route the earth via the Mounting Bolts - simply connect and get started!
