

Busch + Müller Rear Light "Secuzed Plus"

red

RRP 26,90 €

The "Secuzed Plus" Dynamo LED Rear Light has been specially developed for the Fender and strut area and has an integrated Z-reflectors to improve your visibility on the road. With 10 high-performance LEDs, it offers balanced brightness so that you are clearly visible on every ride. The supplied Connecting Cable of about 10 cm in length is equipped with Plug Contacts, which makes installation effortless. The mounting material for attaching to the Fender, Seat Stay or Seatpost is also included in the scope of delivery. The parking light is particularly practical, ensuring that you remain visible even when stationary, for example at traffic lights or when waiting.
