Tried and tested and unrivaledBALLISTOL "Universal Oil" is the all-rounder among care products. Whether for craft, home or hobby, whether for care, protection, cleaner or lubrication, whether at home, at work or on the road - BALLISTOL "Universal Oil" is the right oil for 1,000 cases and more. It is used as anti-rust protection, Lubricating Oil or care and detergents and has been shining for more than 115 years with many excellent properties.It is extremely creep-resistant, lubricating, non-resinous, completely biodegradable, food-safe, skin-friendly, environmentally friendly and has a disinfectant effect.BALLISTOL "Universal Oil" was developed back in 1904 and has been produced in Germany ever since according to the same recipe. All the active ingredients contained are particularly pure, of biological origin and completely biodegradable. The base oil is of medical purity, free from chlorinated hydrocarbons and contains no substances of animal origin. In addition, the "Universal Oil" is free of silicone, PTFE, acids and resins and is harmless within the meaning of §§ 30, 31 of the German Foodstuffs, Commodities and Animal Feed Act (LFGB) and Regulation (EC) No. 1935/2004. BALLISTOL "Universal Oil" is therefore even suitable for the care and maintenance of machines and equipment used in the food and beverage industry where product contact may occur. BALLISTOL "Universal Oil" cleans, maintains, protects, preserves and dissolves rust and residues such as resins from unsuitable oils and can be used on wood, leather, stainless steel, iron, non-ferrous metals, non-ferrous metals and oil-resistant rubber. As a Universal Oil, it is incredibly versatile and can be used in professional and hobby workshops, for industry and crafts, cars and motorcycles, household and gardening, fishing, sports and for leather and gun care. There are thousands of practical applications and new ones are constantly being discovered. You too can benefit from the advantages of the original BALLISTOL "Universal Oil".
