

BALLISTOL Multipurpose Grease

400g cartridge

RRP: 7,95 €

The premium multipurpose greaseThe BALLISTOL "Multipurpose Grease" is free of silicone, PTFE, acid and resin and does not resinify. It offers reliable protection against seizing and corrosion and is also resistant to wet and dusty environments. BALLISTOL "Multipurpose Grease" reduces friction and wear, has a high pressure absorption capacity and is resistant to ageing and walking.This lithium soap grease is suitable for use in sliding and rolling bearing lubrication and covers a wide temperature range from -30°C to +120°C. It has very good water resistance in cold and hot water, thus guaranteeing reliable long-term lubrication. The BALLISTOL "Multipurpose Grease" has good sealing properties and is recommended for centralized lubrication systems.It complies with DIN 51 502: K2K-30.
