

BALLISTOL Multi Oil

5l canister

RRP: 96,50 €

USTA - the rust killerThe BALLISTOL Workshop Oil "USTA" - is slip-active, creeps into the finest cracks and corners, displaces water from metal surfaces, infiltrates moisture, does not resinify or stick. It contains no silicones or chlorinated hydrocarbons. "USTA" is the versatile and inexpensive liquid tool for almost any purpose.In industry and trade: BALLISTOL "USTA" is ideal for the maintenance and care of machines and equipment of all kinds. Reliable preservation of precision tools and measuring instruments, molds and punches. Excellent temporary rust protection for the intermediate storage of finished and semi-finished parts made of steel and iron. Proven as a transport preservative for road, rail and overseas transportation.In the home and garden: "USTA" keeps everything in good shape that could creak, squeak or lock. Whether door locks, window hinges, bicycles or motorcycles. Everything works like new, is protected and cared for. In the garden, it is used to maintain, care for and protect hose reels, mowers, hedge trimmers, edge trimmers, rakes, spades and rakes."USTA" is the versatile and inexpensive liquid tool for almost any purpose.
