

BALLISTOL Lock Spray

50ml spray can

RRP: 6,95 €

So your cylinder closes effortlesslyEspecially for the care and cleaning of all types of cylinders and locks.Special lubricating ceramic maintains, protects, maintains smooth operation and displaces water. The BALLISTOL "Cylinder Spray" is free of silicone, PTFE, acid and resin and does not resinify.Thanks to the ceramic particles it contains, the mechanism is optimally lubricated and the mechanism runs smoothly again. Even the tightest fits can be achieved by spraying, squeaking and ratchets are eliminated. It displaces moisture and thus prevents icing. Functionality is maintained and the service life extended. Protects against rust and removes existing rust.Application: Simply fit the capillary tube supplied with the BALLISTOL "Cylinder Spray" and spray a short burst into the cylinder (both sides) or lock. Then turn the keys in the lock a few times.Typical applications: Lock cylinders, car, motorcycle and bicycle locks, Padlocks, window and furniture fittings, cash boxes and safes.
