

Continental Tires "Ride Tour"

47-406 (20" x 1,75), black

RRP 16,95 €

Ride TourCONTINENTAL has designed the "Ride Tour" as a robust tire for everyday rides, whether on asphalt, cobblestones or gravel. The center tread strip and the coarser side profile speak for this. Its robust puncture protection and extra rubber layer ensure high mileage. A robust rubber layer is responsible for the high cut and puncture protection on the "Ride Tour", as are the rubber-reinforced sidewalls. With its properties, the "Ride Tour" meets the standard for use on e-bikes.
