

Continental Tires "eRuban"

54-622 (29 x 2,10), black, 960g

Price: 11,50 €

Puncture-proof with low rolling resistance Would you like to go on extended e-bike tours, but without punctures? With its "eRuban", CONTINENTAL has a Clincher Tires in its range that will reliably accompany you on your tours with good grip and durability. The PureGrip compound and the strong Puncture Protection insert ensure that you can be on the road with low rolling resistance and a high sense of safety. This design also protects against premature wear caused by the high pedelec drive forces. Behind the puncture protection technology, which is called Plus Breaker at CONTI, is an insert made of special rubber, which is located between the tread and carcass. Pointed stones and sharp edges cannot harm the "eRuban".

Datos maestros

Número de artículo del proveedor:	01505520000
EAN	4019238048896
UVP	38,95 €
SB-Artículo	Sí
DST-Code	2A02
Fedas-Code	160472
Bidex-Code	204040
Marca/Proveedor	Continental
Unidad de medida:	PIECE
