

CONWAY Jacket

size L

Price: 40,39 €

Windproof & breathable Be well prepared for wind and weather with the CONWAY Hybrid Jacket. It is ideal for your daily commute by bike as well as for sporty excursions at the weekend. Nylon and polyester keep you dry in a short rain shower, are windproof and breathable at the same time. The lining keeps you warm. Cuffs on the sleeves and hood protect you from wind and rainwater. Reflective elements make you more visible to other road users when riding in the dark or in cloudy weather. The appliqués are located on the back and in the CONWAY logo on the chest.
