

FAHRER Trousers Strap "Band"

white

RRP: 14,00 €

A unique ribbonThe development of FAHRER BERLIN's product range began with the "ribbon", with the guiding idea of designing individual products with high utility value from recyclable products.As a colorful accessory on the trouser leg, old truck tarpaulins, tarpaulins or posters shine freshly in a new function. Each FAHRER "band" is a handmade, unique item with reflective strips and high-quality Velcro fasteners. This is why it varies in appearance and gives each one its uniqueness.
